JURY NOTES

(4)

2:52pm 1-28-15

Shouldn't we be notifying  
(now) FDA, Doctors, patients who  
are related to these Filters implants  
to prevent a sudden, painful  
death?

Are we, jurors, legally responsible  
for communicating these risks?

Don't you have enough witnesses  
statements to state that  
patients are in (some) risk  
to have the filter migrating<sup>(fracturing)</sup>  
to their heart?
